Sir,

With reference to Government Order No. 6077-9/Med. 33-15-33, dated 17th March 1917, I have the honor to state that the period of one year for which the further continuance of grant-in-aid to the Koppa Medical Fund had been sanctioned, expired on the 22nd August 1917.

2. The Deputy Commissioner, Kadur District, in his letter No. 31, dated 15th July 1917, forwarded to this office, the Honorary Secretary's application for continuance of the grant for another year and recommended that the grant might be ordered to be continued for 3 years for reasons mentioned in his letter No. 205, dated 30th March 1917 said to have been addressed to Government. His attention was invited to para 2 of Government Order No. 7852-5/Med.61-10-5, dated 23rd March 1911 and he was requested in my letter No. 271-2, dated 20th July 1917 to obtain the necessary statement of accounts of the Fund. He was also requested in this office letter No. 271-4, dated 18th August 1917, to obtain the opinion of his District Committee regarding the continuance of the grant.

3. From the statement of accounts forwarded by the Honorary Secretaries of the Koppa and the Sollebylle Branches of the Fund, it will be seen that, to the Government grant of Rs.2, 200/- for the 11 months from 1st September 1916 to 31st July 1917, the Planters have contributed Rs. 1, 746-9-0 by subscription and Rs. 1, 212-7-6 by paying for medicines supplied.

4. Of the total income of the Fund, viz., Rs., 5, 247-2-5, a sum of Rs. 2, 970-8-0 has been spent on the salaries of the 2 Doctors, Rs. 678-7-8, on medicines, the remaining, with the exception of Rs.649-14-6, balance on hand, having been spent on rents and sundries.

5. The total number of patients treated was 3725, which is said to be exclusive of the number of individuals for whom medicines were sent to their estates.

6. The Kadur District Committee, in their resolution, received with the Deputy Commissioner's letter No. 31, dated 26th December 1917, recommended the discontinuance of the grant after the current year since additional dispensaries have been opened at Balur and Balehonnur.

7. But as these dispensaries are themselves temporary, I am of opinion that the grant to the Koppa Medical Fund may be continued, at least for one year more, its discontinuance being decided along with the question of making the temporary dispensaries permanent. A copy of Mr. Bolton's letter dated 12th January 1918 to the Deputy Commissioner, Kadur District, received with the latter's No. 31, dated 19th January 1918, is also submitted for perusal and favour of early orders.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Letter, dated 12th January 1918, from Mr. Bolton,
Honorary Secretary, Koppa Medical Fund, to the Deputy
Commissioner, Kadur District.

---:O:---

"I beg to represent that though I applied in June
last through your predecessor for an application to be
forwarded for a renewal of the Government grant of Rs.100/-
per month to the Koppa Medical Fund which expired in
August 21st, nothing seems to have done in the matter. I
have twice written to the Senior Surgeon, who simply
informed me that the opinion of the Chief Medical Officer
of the Kadur District had been invited. Having received
no payment from Government since 21st August, the Fund is
urgently in need of money and unless the payment in arrears
is made soon, I must apply to the Bank for temporary assist-
ance.

I need not remind you that this Fund is a vital
necessity to the District as it consists ^{of} 19 Estates
aggregating to 3864 acres, employing roughly 2000 coolies
to say nothing of Manager and their families all of whom
are entirely dependent on this Fund and our Medical Officer
for Medical aid and as the discontinuance of the ^{Government} grant
would lead to a back up of the Fund, I trust you will be
good enough to lay these facts before the Government with
a recommendation that the grant be renewed as from 21st
August 1917."
